interpreting an ancient book like the bible can be an intimidating task hopefully this book will demystify or make less complicated the task of biblical interpretation for the layperson or seminarian by the use of a handy and memorable acronym scar where s means sitting with the text to listen to the biblical author's words over and over again where c means the literary and cultural historical contexts where a means analysis and finally where r means god's redemptive remedy readers are treated to some accessible theory behind biblical interpretation in part 1 and examples in part 2 where scar is applied directly to two old testament and two new testament texts god has revealed himself on the pages of scripture he has revealed himself because he wants to be jealously and desperately known so my prayer for you is that this small book along with the true biblical interpreter the holy spirit will greatly and patiently escort you in this endeavor so that you fall more in love with our beautiful and gracious god who knows and loves you intimately and may your growing and maturing love for him manifest itself in your
