this book investigates the concept of worldview in its numerous aspects and how worldviews impact shape and influence individuals communities societies and cultures it explores various worldviews religious spiritual and secular using a comprehensive approach to highlight their breadth depth and scope john valk argues that everyone has a worldview and that worldview is often shaped and influenced by individual circumstances and situations while worldviews have similar structures to one another they vary in content including differences in metanarratives teachings ethics and more in the course of explaining how worldviews respond to life's ultimate and existential challenges the book poses ontological questions to highlight various world views on the nature of being and the human and epistemological questions pertaining to sources of knowledge and certainty inviting readers to reflect on their own worldviews as they explore the worldviews of others valk also reveals how certain universal worldview beliefs are interpreted in particular contexts

we are living now in a new religious age and in order to effectively study human beliefs and the feelings and practices that accompany them we need to understand not only traditional religions but ideologies as well to this end this book examines all of the major forces of belief and feeling that influence our world providing an excellent introduction to the modern study of religion the author surveys current world events and draws parallels to the worldview aspect of human existence in its most crucial role back cover

how do we come by our worldviews and philosophies what impact did christianity have on the worldviews that are common to western civilization why you think the way you do traces the development of the worldviews that underpin the western world professor and historian glenn s sunshine demonstrates the decisive impact that the growth of christianity had in transforming the outlook of pagan roman culture into one that based on biblical concepts of humanity and its relationship with god established virtually all the positive aspects of western civilization the two pronged assault in our time on the biblically based worldview by postmodern philosophy and the writings of neo atheists has made it even more crucial that we acknowledge and defend its historical roots this authoritative accessible survey discusses western worldviews as a continuous narrative rather than as simply a catalogue of ideas why you think the way you do traces the effects that changes in worldview had on society helps you understand your own worldview and those of other people helps you recognize the ways that your worldview philosophies beliefs and presuppositions affect the way you think about everything

in the past changes in behavior and in belief have been leading indicators for missionaries that christian conversion had occurred but these alone or even together are insufficient for a gospel understanding of conversion for effective biblical mission paul g hiebert argues we must add a third element a change in worldview here he offers a comprehensive study of worldview its philosophy its history its characteristics and the means for understanding it he then provides a detailed analysis of several worldviews that missionaries must engage today addressing the impact of each on christianity and mission a biblical worldview is outlined for comparison finally hiebert argues for gospel ministry that seeks to transform people's worldviews and offers suggestions for how to do so

why are people the way they are why are some cultures and nations progressive while others seem to be perpetually mired in backwardness and poverty what were the original foundations upon which western culture thrived what are the current effects of secularism on the west and the rest of the world what would it be like if christians not only prayed for god's kingdom to come but heeded jesus teaching to live out the truths of his kingdom on earth worldview and the kingdom of god is an easy to read book for the ordinary man on the street that challenges the worldview of christians based on the original good news of the kingdom that jesus and his disciples preached not the popular gospel of salvation to go to heaven that most christians preach it calls for a paradigm shift from a salvation from this world worldview to a god's kingdom on earth worldview beginning with the premise that the world is ruled by ideas and that ideas have consequences the message invites the reader to examine his worldview and reflect on what has been influencing and shaping it the concept of worldview is explained in simple terms and the reader is invited to reflect on the worldviews of animism and secularism and its consequences and examine how much of his worldview is still rooted in animism and or influenced

by secularism god s kingdom is then introduced and contrasted against satan s kingdom and man s kingdom in the light of the biblical teaching of the three kingdoms the call is for christians to discard their salvation from this world worldview if they are to get beyond themselves and church as we know it to get on with god s agenda for his kingdom to come and his will to be done on earth as it is done in heaven

this volume approaches the word of faith as a worldview and analyses the movement through n t wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the word of faith the reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the word of faith interprets reality and engages with the world the analysis shows that there is a narrative core to word of faith beliefs in the form of a unique theological story with focus set on the present restoration of eden s authority and blessings this study demonstrates how the word of faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and eden s perfection the findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts pentecostalism

the contemporary dutch broadcasting system is impossible to categorize according to standard models of broadcasting systems it crosses the boundaries of public and private non profit and for profit neutral and value laden and secular and religious this book explains the origins of this unequivocally unique pluralistic system the dutch broadcasting system is also one of many other pluralist social economic and political structures that were created in the netherlands between 1917 and the 1970s this book is the first in depth analysis of the ways that ideological and religious worldviews influenced both the struggle to shape dutch broadcasting between 1919 and 1930 and the structural pluralistic contours of the final system and policy co published with institute for christian studies isc

your view of god determines your view of the world you hold in your hands a landmark guide to understanding the ideas and forces shaping our times understanding the times offers a fascinating comprehensive look at the how the tenets of the christian worldview compares with the five major competing worldviews of our day islam secular humanism marxism new age and postmodernism understanding the times is a systematic way to understand the ideas that rule our world while the material is expansive the engaging easy to understand writing style invites you to discover the truths of god and our world this classic should be on the shelf of every christian home on the desk of every pastor and in the hands of every christian student headed off to college

conceiving of christianity as a worldview has been one of the most significant events in the church in the last 150 years in this new book david naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life this informative volume first locates the origin of worldview in the writings of immanuel kant and surveys the rapid proliferation of its use throughout the english speaking world naugle then provides the first study ever undertaken of the insights of major western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences finally naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the evangelical orthodox and catholic traditions this clear presentation of the concept of worldview will be valuable to a wide range of readers

everyone has a worldview a worldview is the lens through which we interpret the cosmos and our lives in it a worldview answers the big questions of life what is our nature what is our world what is our problem what is our end as anderson clark and naugle point out our worldview cannot simply be reduced to a series of rational beliefs we are creatures of story and the kinds of story we tell reveal important things about our worldview part of being a thoughtful christian is to understand and express the christian worldview it also means developing an awareness of the variety of worldviews an introduction to christian worldview explores answers to questions such as why do worldviews matter what characterizes a christian worldview how can we analyse and describe a worldview what are the most common secular and religious worldviews well organized clearly written and featuring aids for learning an introduction to christian worldview is the essential text for either the classroom or personal study readily accessible a valuable resource for all christians who desire a deeper understanding of the conceptual foundations of our faith steve wilkens professor of philosophy and ethics azusa pacific university

winner of the 2018 choice award for outstanding academic title praise for previous editions this is a brilliantly clear introduction and indeed reframing of the history and philosophy of science in terms of worldviews and their elements in addition the book is incredibly well informed from both a scientific and philosophical angle highly recommended scientific and medical network unlike many other introductions to philosophy of science dewitt s book is at once historically informative and philosophically thorough and rigorous chapter notes suggested readings and references enhance its value choice written in clear and comprehensible prose and supplemented by effective diagrams and examples worldviews is an ideal text for anyone new to the history and philosophy of science as the reader will come to find out dewitt is a gifted writer with the unique ability to break down complex and technical concepts into digestible parts making worldviews a welcoming and not overwhelming book for the introductory reader history and philosophy of the life sciences vol 28 2 now in its third edition worldviews an introduction to the history and philosophy of science strengthens its reputation as the most accessible and teachable introduction to the history and philosophy of science on the market geared toward engaging undergraduates and those approaching the history and philosophy of science for the first time this intellectually provocative volume takes advantage of its author s extensive teaching experience parsing complex ideas using straightforward and sensible examples drawn from the physical sciences building on the foundations which earned the book its critical acclaim author richard dewitt considers fundamental issues in the philosophy of science through the historical worldviews that influenced them charting the evolution of western science through the rise and fall of dominant systems of thought chapters have been updated to include discussion of recent findings in quantum theory

general relativity and evolutionary theory and two new chapters exclusive to the third edition enrich its engagement with radical developments in contemporary science at a time in modern history when the nature of truth fact and reality seem increasingly controversial the third edition of worldviews presents complex concepts with clarity and verve and prepares inquisitive minds to engage critically with some of the most exciting questions in the philosophy of science

there is a war being fought in our culture a war between two worldviews one view is based on a biblical understanding of history the other on pure naturalism we witness the battles and skirmishes in our schools our courts and our homes all around us are casualties of the warfare taken captive by an evolutionary philosophy

the church today can be divided into two different understandings of the kingdom of god the first group views the kingdom of god as mystical invisible and heavenly these christians assert that jesus is lord of all but his kingdom does not make a difference

smart embarks on a worldwide tour of traditional religions and secular ideologies he explores in a detailed and detached manner all the major religions buddhism christianity hinduism islam and judaism he also discusses ideologies nationalism marxism democracy secular humanism which often rival religion and in an important sense are themselves religious smart emphasizes the importance of approaching the various worldviews with an open mind dust jacket

a diverse group of writers and scholars follow the lead of noted folklorist barre toelken and consider from the inside the ways in which varied cultures in the american west understand and express their relations to the world around them as barre toelken puts it in the dynamics of folklore worldview refers to the manner in which a culture sees and expresses its relation to the world around it in worldviews and the american west seventeen notable authors and scholars employing diverse approaches and styles apply toelken s ideas about worldview to the american west while the contributors represent a range of voices methods and visions they are integrated through their focus on the theme of worldview in one region worldviews and the american west includes essays by margaret k brady hal cannon nora marks dauenhauer and richard dauenhauer james s griffith barry lopez robert mccarl elliott oring twilo scofield steve siporin kim stafford c w sullivan iii jeannie b thomas george venn george b wasson and william a wilson each of the authors in this collection attempts to get inside one or more of the worldviews of the many cultures that have come to share and interpret the american west the result is a lively mix of styles and voices as the authors own worldviews interact with the multiple perspectives of the diverse peoples and in barry lopez s the language of animals other species of the west this diversity matches the geography of the region they all call home and gives varied life and meaning to its physical and cultural landscape

the three worldviews thriving in the abundant freedom of christ if you are a disciple of jesus christ then you are dedicated in your commitment to grow up into the fullness of the stature of our lord and savior on your journey out of darkness and chaos into the light and freedom of the glorious kingdom of god you entered the worldview of religion this was required as a mandatory movement to recognize that you were a sinner lost in the worldview of darkness the ongoing challenge for each of us is to keep growing until we are living and thriving in the kingdom of christ and not stalled in the worldview of religion sin self law man grace by faith christ as we fulfill our purpose on this earth visit bestpathfoundation com we are faced with daily challenges to achieving and maintaining our worldview in the proper perspective for growth this good endeavor is dedicated to helping you do that by looking at many of the cultural practical controversial and theological concepts of our age with an education and focus on the word of god as the only source of true guidance and strength jim davis is dedicated to helping god s kids move from work to worship in all areas of life possibly this will help you

the goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers as george barna has noted we have a generation coming up that isn t looking at christianity to answer spiritual concerns we either change or we lose them worldview as worship contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews first that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice appealing to paul s teaching in romans 12 1 2 worldview as worship approaches the renewing of your mind as the result of the believer s presentation of themselves as a holy sacrifice which is your spiritual service of worship the book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship as a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice

oscar kawagley is a man of two worlds walking the sometimes bewildering line between traditional yupiaq culture and the westernized yupiaq life of today in this study kawagley follows both memories of his yupiaq grandmother who raised him with the stories of the bear woman and respectful knowledge of the reciprocity of nature and his own education in science as it is taught in western schools kawagley is a man who hears the elders voices in alaska and knows how to look for the weather and to use the land and its creatures with the most delicate care in a call to unite the two parts of his own and modern yupiaq history kawagley proposes a way of teaching that incorporates all ways of knowing available in yupiaq and western science book jacket

author anthony steinbronn examines the postmodern perspective that views the christian church as only one of many brands in the

ideological supermarket be critiques the position that christianity no longer has ultimate truth but must take its place alongside numerous other religions how should christians respond in this pluralistic age steinbronn advocates that we need to know how different religions view the world humanity s reason for existence sin and its consequences and eternal life armed with this knowledge christians can communicate the truth of god s word to a world searching for truth and meaning the book examines buddhism confucianism hinduism islam tribalism modernity
